UPDATE – SCHEDULED WATER OUTAGES BIG HILL AREA

SONORA, CA: Monzingo Construction who is overseeing water line improvements in the Big Hill area for Tuolumne Utilities District (TUD), continues its trenching operations and has upcoming planned water outages.

During the trenching, customers can expect water outages to be intermittent between the hours of 8am to 5pm, Monday through Friday. Residents are encouraged to store water in the evenings for daily use before the daily outages occur. Water outages can be expected for the next two weeks on parts of or all of Lower Quail Mine Road, Old Miner, Upper Quail Mine and Valley Quail. Tuolumne Utilities District will work diligently to restore water to these areas every evening.

For more information or questions regarding this project, please contact Lisa Westbrook, Customer Services Supervisor at ext. 501 or Erik Johnson, Associate Engineer at ext. 520.

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 15 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
