CONSERVATION REQUESTED NEXT WEEK IN PONDEROSA HILLS AND TUOLUMNE AREAS

SONORA, CA: Tuolumne Utilities District (TUD) maintenance crews will be repairing a section of the Eureka ditch the week of September 20th. Water flow to the ditch will be stopped so that TUD crews can make needed repairs to the system. Customers who receive raw water from the Eureka and Roaches ditch system will not have water from **Sunday, September 19th through Saturday, September 25, 2010.**

TUD is asking all customers in the Ponderosa Hills and Tuolumne area to conserve water during the ditch outage from Sunday, September 19th through Saturday, September 25, 2010. Conservation measures include, limit outside watering, do not wash cars or hose down driveways. Please turn off automatic lawn and drip irrigation systems.

For more information, please contact Lisa Westbrook, Customer Services Supervisor at ext. 501.

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 14 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
