WATER LINE IMPROVEMENTS AND STREET DETOUR NEXT WEEK IN TUOLUMNE

SONORA, CA: In an effort to improve a main section of water lines in the Tuolumne area, Tuolumne Utilities District (TUD) maintenance crews will be doing necessary repairs on Chestnut Street, the week of April 5th. During the project, a traffic detour will be in place from Chestnut to Bay from 8am to 3pm. Customers along Chestnut will experience a water outage on Tuesday, April 6th for scheduled repairs.

Thank you for your patience as we make improvements to this section of water line. For more information, please contact Lisa Westbrook, Customer Services Supervisor at 209-532-5536, ext. 501.

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 15 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
