SONORA, CA: Tuolumne Utilities District (TUD) will be replacing a sewer main on Columbia Way in Sonora, north of the Sonora Veterinary Clinic. The project is needed to replace an old sewer main that is in poor condition. This project starts on Monday, April 11<sup>th</sup> and is expected to **be completed by Friday, May 20<sup>th</sup>, 2011.**

Sections of Columbia Way, between the Sonora Veterinary Clinic and the northerly intersection with Highway 49, will be open for local traffic only and closed for thru traffic from 7:30 am – 4:00 pm, Monday through Friday. Please drive with extreme caution and obey the traffic control signs in this area.

For more information, please contact Lisa Westbrook, Customer Services Supervisor at 209-532-5536, ext. 501.

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 15 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
