### MAIN LINE WATER BREAK IN DOWNTOWN SONORA

#### FOR IMMEDIATE RELEASE

March 9, 2011

Contact: Lisa Westbrook  
Customer Services Supervisor, TUD  
(209) 532-5536, x501

Tuolumne Utilities District is responding to main line water break that has occurred at the intersections of Restano Way and Washington Street in downtown Sonora. TUD was alerted to the water break around 10:30am. Please note that sections of Restano Way and Washington Street are blocked as crews begin repairs in the area. Please avoid this area if possible.

Businesses and residents in the areas of Restano Way, and South of Lytton Street on Washington Street will experience low water to no water while repairs are being made. Other areas affected include Nevada, Tuolumne, Calaveras and Hospital Road. TUD is working quickly to restore water, but water may be out in the above areas for at least four hours. More updates will be posted on the TUD website at [www.tudwater.com](http://www.tudwater.com).

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 15 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
