WATER CONSERVATION URGED IN THE SCENIC VIEW/SCENIC BROOK AREA

SONORA, CA: Due to the recent storm and power outages to hit the Mother Lode area, Tuolumne Utilities District (TUD) is asking residents in the Scenic View/Scenic Brook area off of Phoenix Lake Road to conserve water. The water storage tank that serves the residents in this area is becoming low and there is a chance of water running out in this area.

For additional information or questions, please contact Lisa Westbrook, Customer Services Supervisor for TUD at 209-532-5536, x 501.

The Tuolumne Utilities District currently serves over 44,000 Tuolumne County residents. The District currently owns and operates 15 water treatment plants, 71 treated water storage tanks, two wastewater treatment plants, approximately 57 miles of open ditches and 330 miles of treated water pipeline.
