PRESS RELEASE

Brentwood Park Meeting to Discuss Possible Wastewater Project

Sonora, CA – August 20, 2008
FOR IMMEDIATE RELEASE

Contact: Lisa Westbrook
Customer Service Supervisor, T.U.D.

Tuolumne Utilities District will be hosting a neighborhood meeting on Monday, August 25, 2008 at 6pm to discuss a proposed wastewater property assessment to fund improvements necessary to connect Brentwood Park properties to TUD's wastewater collection and treatment system. At the request of some residents in the Brentwood Park subdivision, T.U.D. has collected information on funding options for the construction of a new wastewater system to connect 276 Brentwood Park properties on individual septic systems to TUD's wastewater collection and treatment system.

"The meeting this Monday is to give the Brentwood Park subdivision homeowners an opportunity to understand the proposed project and associated property assessment. The goal of this meeting is to simply hold an open forum to address any concerns that our customers would have with this project," stated Pete Kampa, General Manager for Tuolumne Utilities District. The meeting will be held at 6pm Monday, August 25th at the Twain Harte American Legion Hall Community Center located at 18775 Manzanita Drive in Twain Harte. Members of the Brentwood Park subdivision are encouraged to attend.
