

**Volunteers needed to help clean up Tuolumne County's rivers and streams**

The Great Sierra River Clean-Up is about much more than picking up trash. It's a day for Sierra communities—and those from all over California—to demonstrate their desire for clean water and healthy rivers.

**When:** Saturday, September 19, from 9 am to noon

**Where:** We will meet at several locations throughout the county, including Sonora Creek, Woods Creek, Turnback Creek, Sullivan Creek, and the North Fork of the Tuolumne River. Please email or call to RSVP.

**Contact:** Corinne Munger, Tuolumne County Resource Conservation District, (209) 533-8866, [corinne@tcr.cd.org](mailto:corinne@tcr.cd.org)
